

Property report offer

[Name]

[Address]

My name is **[Lisa]** and I am a real estate agent at **[XYZ Real Estate]**.

I just wanted to let you know that I am currently putting together competitive market analysis reports for other homeowners in the area.

These reports offer valuable data and insights; such as properties for sale and comparable properties that have sold. I thought that you may like a copy of the report too, as it gives homeowners a great idea of what their property could be worth in today's market.

If you would like a copy, please call me on **[555 5555]** and I'll be happy to drop one off for you, at no cost and of course with no obligation.

[Lisa B]
